*Use pedal; let all notes ring out.*

Play four C#s at a time; leave space between; play different combinations of C#s.

After some time (at least four minutes) play four Ds each a semitone above the last C#s played.

An uncomfortably long pause.

The same four Ds.

An uncomfortably long pause.

The same four Ds.

An uncomfortably long pause.

The same four Ds.

An uncomfortably long pause.

The four C#s each a semitone below the Ds.

An uncomfortably long pause.

End.

*(The D section should last approximately the same length as the C# section and have approximately a third of the notes.)*
